### **A Cordial Invitation from SKD Temple Management**

As the tenth Mahavidya, Sree Maa Kamalathmika Devi, an aspect of Adiparashakti in the form of Lakshmi, holds immense spiritual significance. She grants her devotees energy, knowledge, health, wealth, fertility, and prosperity. Revered as the earthly goddess, she is linked to the planet Venus and delights in white hibiscus, lilies, and lotuses.

She embodies the power of all 10 Mahavidyas/Goddesses. Our Sree Kamalathmika Devi Temple is the first in the USA.

**We are delighted to share the progress and upcoming events at the Sree Maa Kamalathmika Devi Temple, Pleasanton's first Hindu temple.**

## Our Journey So Far:

### Phase 1 :

In 2022, after a dedicated search, Maa Kamalatmika Devi guided us to this sacred space in Pleasanton. We secured zoning permits in October 2023, and from January 2024 to January 2025, we diligently worked on temple improvements, receiving the occupancy permit on January 17, 2025. The divine presence was established during Navaratri, October 4th to 6th, 2024, with pratishtha ceremonies and the start of daily rituals. On January 20, 2025, we joyfully opened the temple doors to the public.

### Phase 2 :

Since then, the temple has been fully operational, with a well-qualified priest conducting daily rituals. We celebrated our first Narmada Linga Maha Sivaratri on February 25, 2025, with holy water from Maha Kumbh Mela Triveni Sangam, a truly blessed occasion.

### Looking Ahead Phase 3 - Welcoming New Deities

Welcoming New Deities We are filled with joy to announce the arrival of beautiful black granite deities in Phase 3 of our temple's development
